Jesus is the Way

Righteousness – What does Jesus say is righteous, not what do I judge as right? Or what do I judge as wrong?

Jesus is the Truth

Peace - The truth is as it is in heaven – What is true in heaven? This is not my opinion, but the testimony of Jesus in my life.

Jesus is the life

Joy – How am I fulfilling the Father's purpose in this? This is not merely my dream or vision, but the dream and vision of God in Christ and as Christ.
